

# MANUFACTURE PRODUCT DAY

San Antonio, Texas  
**March 18, 2025**  
**10:00 am - 12:00 pm**

Sargent and Greenleaf work to balance new technologies with their higher standards for quality and performance. Their high-security locks are part of the S&G commitment to truly smart security—giving you scalable, proven, reliable solutions that lead the security industry forward.

Stop by the IML San Antonio Branch and learn more about Sargent and Greenleaf security products and how they can help secure your next project.
