

HA7 Slim Low Energy Operator

Aesthetics and innovation combine in the Ditec HA7. The slim header blends seamlessly with most standard door frames, and fits into areas where standard operators could not. Its quick installation and mobile app set-up make it an ideal choice for offices, restrooms and assisted living facilities.

- Slim header design blends seamlessly with door frame
- Perfect for retrofit applications
- Easy mobile app set-up
- Partial Open/Parking
- Hold Open
- Privacy Function/Time-Delay Cancellation
- Ratchet (activate one to open; activate again to close)
- Push and Go
